Tour Itinerary

Day 1: Arrival and East Bank Grandeur

Your grand adventure commences with a warm meet-and-greet service followed by a private transfer to the M/S Acamar in Luxor for embarkation and your first gourmet lunch on board. In the afternoon, your expert Egyptologist will lead you through the East Bank's crown jewels: the massive Karnak Temple, a forest of 134 towering columns dedicated to Amun-Ra, and the elegant Luxor Temple, which looks spectacular as it begins to glow at dusk. After the tour, you will return to your five-star vessel for a refined dinner and spend your first night anchored in the historic heart of Luxor.

Day 2: Sailing to Edfu and Onboard Folkloric Fun

After a delicious breakfast on board, you can enjoy a free morning in Luxor or opt for an unforgettable sunrise hot air balloon flight over the ancient city. In the afternoon, the Acamar begins its majestic journey south, allowing you to relax on the sundeck and watch the rural Egyptian life drift by along the banks of the Nile. As evening falls, the ship's atmosphere becomes festive with a traditional Folkloric Show and a gourmet dinner served in the main restaurant while the vessel glides toward Edfu.

Day 3: Kom Ombo Symmetrical Wonders

This morning is dedicated to relaxation as you sail through the lush landscapes of Upper Egypt. After a leisurely lunch on board, the ship docks at Kom Ombo for a visit to its unique Double Temple, an architectural anomaly symmetrically divided between the crocodile god Sobek and the falcon god Haroeris. You will explore the ancient Nilometer and the crocodile mummy museum before returning to the ship for a night of music, fine dining, and continued sailing toward the southern gateway of Aswan.

Day 4: Aswan Landscapes and Felucca Sailing

Enjoy a tranquil morning on the sundeck as the Acamar reaches the picturesque city of Aswan. After lunch, you will trade your large vessel for a traditional wooden Felucca, sailing gracefully around Kitchener Island and the Agha Khan Mausoleum to experience the Nile's beauty just as travelers did centuries ago. The evening is free for you to explore the vibrant Aswan Bazaar or attend an optional Sound & Light Show at the Philae Temple island before an overnight stay in Aswan.

Day 5: High Dam, Philae, and the Unfinished Obelisk

Today focuses on the landmarks of the south, starting with a visit to the Aswan High Dam, a monumental feat of 20th-century engineering that created Lake Nasser. You will then take a short motorboat ride to the stunning Philae Temple, a romantic sanctuary dedicated to the goddess Isis that was salvaged piece-by-piece from the rising river. The morning concludes at the ancient granite quarries to witness the Unfinished Obelisk, providing unique insight into ancient stoneworking, followed by a relaxing evening on board.

Day 6: Edfu's Falcon Temple and Northward Navigation

Early in the morning, the Acamar sets sail back toward Edfu. Upon arrival, you will visit the exceptionally well-preserved Temple of Horus, the most complete cult temple in Egypt, featuring massive pylons and detailed carvings that have survived for millennia. After the tour, you will return to the cruise for lunch while navigating back toward Luxor, crossing the Esna Lock—a fascinating engineering experience—and spending your final night of sailing enjoying the premium amenities of the ship.

Day 7: Thebes West Bank Necropolis

Your final full day in Luxor is a deep dive into the afterlife of the Pharaohs. You will cross to the West Bank to explore the legendary Valley of the Kings, where you can descend into the richly decorated tombs of the New Kingdom's greatest rulers. The tour continues to the magnificent, geometrically designed Temple of Queen Hatshepsut at Deir el-Bahari and concludes with a photo stop at the towering Colossi of Memnon, the massive twin statues of Amenhotep III that have stood guard for over 3,000 years.

Day 8: Final Departure

After a final sumptuous breakfast on board the M/S Acamar, you will bid farewell to the crew and check out of your cabin. Our representative will be waiting to provide a private transfer to your hotel in Luxor or to the Luxor International Airport for your final departure, concluding an extraordinary 8-day journey through the heart of Egypt's ancient civilization with Bastet Travel.
