Tour Itinerary

Day 1: The Grandeur of Ancient Thebes and Embarkation

Your luxury adventure commences with a warm welcome in Luxor, the world's greatest open-air museum. Your tour begins on the East Bank with a visit to the magnificent Karnak Temple, a staggering complex of sanctuaries and pylons dedicated to the Theban gods. You will then explore the 3,400-year-old Luxor Temple, built by King Amenhotep III and completed by Ramses II. Following the tour, you will be transferred via private air-conditioned vehicle to the M/S Al Hambra. After checking into your 31-square-meter suite and enjoying your first gourmet lunch on board, the rest of the afternoon is yours to relax and enjoy the ship's elite amenities, including the two-level spa and indoor pool, before a refined dinner.

Day 2: West Bank Wonders and Setting Sail

This morning offers the chance for an optional sunrise hot air balloon ride over the ruins of Luxor for a breathtaking panoramic perspective. After breakfast, you will tour the ancient city of Thebes on the West Bank, starting with the Colossi of Memnon, the massive twin statues of Amenhotep III. You will then descend into the legendary Valley of the Kings to explore the burial chambers of Egypt's most powerful Pharaohs. The tour continues with a visit to a local alabaster workshop to meet the artisans descended from ancient tomb builders, followed by the striking, multi-terraced Temple of Queen Hatshepsut. In the afternoon, anchors are away as the Al Hambra begins its elegant journey upstream toward Edfu.

Day 3: Edfu's Falcon Temple and the Symmetries of Kom Ombo

Awake to the peaceful rhythm of the Nile and enjoy breakfast on board before arriving in Edfu. You will experience a charming horse and carriage ride through the city to reach the Temple of Horus, one of the best-preserved ancient monuments in Egypt. After returning to the cruise for lunch, you will relax on deck as the Al Hambra navigates toward Kom Ombo. Late in the afternoon, you will visit the Temple of Kom Ombo, a unique dual sanctuary perfectly symmetrical along its main axis and dedicated to both the crocodile god Sobek and the falcon god Haroeris. You will explore the twin halls and courts before returning to the vessel for dinner and continued sailing toward Aswan.

Day 4: Aswan Landmarks and Ancient Aromatherapy

After breakfast in Aswan, you will take a short motorboat trip to Agilkia Island to visit the romantic Philae Temple, a breathtaking complex dedicated to the goddess Isis that was rescued from the rising waters of Lake Nasser by UNESCO. The tour continues with a visit to the Aswan High Dam, a monumental 20th-century engineering feat. To deepen your cultural immersion, you will visit a local essence and oils workshop to learn about the ancient Egyptian history of aromatherapy. As the sun sets, you may choose to relax in your luxury suite or join an optional authentic trip to a traditional Nubian Village to experience local culture and hospitality.

Day 5: Abu Simbel Option and Final Departure

On your final morning, you may choose a legendary early-morning optional excursion to the Abu Simbel Temples, the massive rock-cut monuments of Ramses II and Nefertari, or simply enjoy a final leisurely breakfast and the premium facilities of the M/S Al Hambra. Disembarkation takes place by 8:00 AM, marking the end of your Nile cruise From Luxor Aswan package.
