Tour Itinerary

Day 1: Luxor's Grandeur and Boutique Check-In

Your elite journey begins in Luxor, the legendary capital of the Pharaohs, where you will immediately dive into the scale of ancient Egyptian architecture. You will visit the sprawling Karnak Temple Complex, the largest religious site ever built, followed by the magnificent 3,400-year-old Luxor Temple. Following your East Bank exploration, a private air-conditioned transfer brings you to the My Alyssa Nile Cruise 5 Days for check-in. Step into a world of modern elegance where the chic decor and ultra-filtered water system offer immediate comfort. After a gourmet lunch, you can spend the evening relaxing in your panoramic cabin or on the designer sun deck, enjoying your first refined dinner as the ship prepares for the voyage ahead.

Day 2: Theban Necropolis and Sailing to Edfu

Start your day with the option for a breathtaking sunrise hot air balloon flight over the Nile or head straight to the West Bank to explore the "City of the Dead." You will witness the towering Colossi of Memnon before descending into the subterranean secrets of the Valley of the Kings, the final resting place of New Kingdom Pharaohs. The tour continues to the striking, rock-cut Temple of Queen Hatshepsut at Deir el-Bahari, followed by a visit to a local alabaster workshop to witness traditional artisan skills. In the afternoon, the My Alyssa sets sail for Edfu. Enjoy the "Boutique Hotel" vibes of the ship as you glide past the vibrant Egyptian countryside, enjoying afternoon tea and a 5-star dinner while passing through the Esna Lock.

Day 3: Edfu's Falcon Temple and Kom Ombo Sunset

Wake up to the fresh river breeze and take a traditional horse and carriage to the Temple of Horus in Edfu, widely considered the best-preserved cult temple in all of Egypt. Return to the Alyssa for a gourmet lunch as the ship continues its peaceful southward navigation toward Kom Ombo. In the late afternoon, you will disembark to explore the unique Temple of Kom Ombo, famously dedicated to both the crocodile god Sobek and the falcon god Haroeris. This vessel provides the perfect vantage point to return and watch the sunset from the designer sun deck or while soaking in the open-air Jacuzzi. The evening features a lively Galabia party and a delicious feast of local and international flavors.

Day 4: Aswan's Island Beauty and Modern Engineering

Upon arriving in the scenic city of Aswan, you will take a motorboat to Agilika Island to visit the romantic Philae Temple, a sanctuary dedicated to the goddess Isis that was expertly relocated to save it from the rising Nile waters. The tour continues to the Aswan High Dam, a 20th-century engineering feat that created the massive Lake Nasser. You will also visit an authentic essence and oils workshop to learn about ancient Egyptian scents. As the sun sets, you can relax in the modern luxury of the ship or join an optional trip to the colorful Nubian Village. Throughout your stay in Aswan, the Alyssa Nile Cruise ship ensures premium health standards with its advanced filtration technology and world-class service.

Day 5: Abu Simbel Option and Final Departure

On your final morning, you have the opportunity for a dawn excursion to the majestic Abu Simbel Temples, where the massive statues of Ramses II and Queen Nefertari stand as a testament to royal power. If you choose to remain on board, you can enjoy a final fresh breakfast on the Alyssa and take in the river views from your panoramic window until the 8:00 AM check-out. Your contemporary 2026 experience concludes with a smooth private transfer to the Aswan airport or railway station.
