## Tour Itinerary

### **Day 1: Welcome to Luxor - East Bank Immersion and Elite Embarkation**

Your extraordinary journey through ancient Thebes begins with a warm greeting by a Bastet Travel representative and a private transfer to the MS Blue Shadow for embarkation before lunch. After settling into your luxurious cabin, you will join your expert guide to explore the magnificent East Bank. The tour begins at the Karnak Temple Complex, a vast religious site spanning over 100 hectares where you will stand in awe of the legendary Hypostyle Hall and its 134 colossal columns inscribed with rich hieroglyphs. You will then visit the beautifully preserved Luxor Temple, gracefully lit by the afternoon sun, where the colossal statues of Ramses II stand guard. After a deep immersion into 1,500 years of history, you will return to the vessel for tea time on the sun deck, followed by a refined dinner and your first night in the ancient capital.

### **Day 2: Luxor West Bank - Royal Tombs and Sailing to the Esna Lock**

The day begins with a hearty breakfast on the MS Blue Shadow, though you may opt for an early morning Hot Air Balloon ride over the West Bank for a breathtaking panoramic view of the Valley of the Kings. Your guided tour focuses on the "City of the Dead," beginning at the Valley of the Kings, where you will enter three royal tombs carved deep into the limestone cliffs. You will then explore the Mortuary Temple of Queen Hatshepsut, a striking multi-terraced architectural masterpiece at Deir el-Bahari. Before returning to the cruise, you will pause at the Colossi of Memnon, the massive twin statues of Amenhotep III. In the afternoon, the vessel begins its graceful navigation south toward Esna, allowing you to experience the mechanical wonder of passing through the Esna Lock while enjoying tea on the deck. Dinner and overnight stay are on board as you sail toward Edfu.

### **Day 3: The Temples of Horus and Sobek - From Edfu to Kom Ombo**

Following a delicious breakfast, you will travel to the Temple of Horus at Edfu by traditional horse-drawn carriage. This is the most completely preserved temple from the ancient world, featuring a grand pylon and intricate reliefs detailing the mythological battle between Horus and Seth. After returning to the ship for lunch, you will spend the afternoon relaxing as the vessel sails toward Kom Ombo. In the late afternoon, you will explore the unique Temple of Kom Ombo, a rare dual-deity sanctuary perfectly symmetrical and mirrored, dedicated to the crocodile god Sobek and Horus the Elder. The visit concludes at the Crocodile Mummification Museum before you return to the cruise for

a themed dinner and an Egyptian folklore show as you continue sailing toward Aswan.

---

#### **Day 4: Aswan's Engineering Marvels, Island Sanctity, and Nubian Charm**

After breakfast on the MS Blue Shadow, you will set out to explore the wonders of Aswan. The tour begins at the High Dam, a 20th-century engineering masterpiece that tamed the Nile and created the massive Lake Nasser. You will then take a motorboat to Agilkia Island to visit the magical Philae Temple, a complex dedicated to Isis that was meticulously relocated stone-by-stone during the UNESCO rescue project. Your morning concludes at the Unfinished Obelisk, providing a fascinating look at ancient stoneworking techniques in the granite quarries. After lunch on board, you may choose to relax or take an optional afternoon sail by Felucca around the scenic Aswan islands or visit a traditional Nubian Village to meet friendly locals and learn about their vibrant heritage. Dinner and your final night are spent in the tranquil beauty of Aswan.

---

#### **Day 5: Final Breakfast and Elite Departure from Aswan**

On your final morning, you will enjoy a signature breakfast on board the MS Blue Shadow before completing your check-out. For those wishing to complete their ancient Egyptian odyssey, a highly recommended optional early morning excursion to Abu Simbel can be arranged, where you will marvel at the monumental temples of Ramses II and Queen Nefertari carved into the sandstone cliffs. Following your final tours or leisure time, our representative will provide a private transfer in a modern air-conditioned vehicle to the Aswan Airport or railway station for your final departure.
