## Tour Itinerary

### Day 1: Arrival in Luxor and East Bank Grandeur

Your Esmeralda Nile Cruise 4 Days Aswan Luxor adventure begins with a warm welcome in Luxor, the heart of ancient Thebes. Your first excursion explores the magnificent East Bank, starting at the Karnak Temple Complex, a staggering sanctuary of pylons and sanctuaries dedicated to the Theban gods. You will then visit the 3,400-year-old Luxor Temple, built by Amenhotep III and Ramses II, which remains a stunning center of historical worship. Following the tour, a private air-conditioned transfer will escort you to your 5-star Nile cruise for embarkation. After a gourmet lunch on board, the rest of the day is yours to relax in your panoramic cabin or enjoy the ship's luxurious facilities before your first overnight stay on the river.

### Day 2: The West Bank Necropolis and Sailing to Edfu

Early this morning, you may choose an optional sunrise hot air balloon ride for a breathtaking perspective of the "City of the Dead." The morning tour officially begins with the Colossi of Memnon, two massive statues of Amenhotep III, before entering the legendary Valley of the Kings, the royal burial ground of the New Kingdom Pharaohs. You will also visit a local artisan village to witness the traditional skill of making Alabaster, a craft descended from ancient stonemasons. The exploration continues at the colonnaded Temple of Queen Hatshepsut at Deir el-Bahari. In the afternoon, "anchors away" as the ship begins its scenic voyage south toward Edfu, passing through the Esna Lock while you enjoy sunset views from the sundeck.

### Day 3: The Sanctuary of Horus and the Twin Temple of Kom Ombo

The third day of your Esmeralda Nile Cruise 4 Days Aswan Luxor focuses on the river's most sacred temples. After breakfast, you will take a traditional horse-drawn carriage through the local city to reach the Temple of Horus in Edfu. As the most intact temple in Egypt, its detailed reliefs provide an invaluable narrative of Ptolemaic mythology. Return to the ship by carriage to enjoy lunch while sailing toward Kom Ombo. In the late afternoon, you will visit the unique Temple of Kom Ombo, a perfectly symmetrical double sanctuary dedicated to both the crocodile god Sobek and the falcon god Haroeris. Explore the temple's ancient Nilometer and the Crocodile Museum before returning to the vessel for a festive dinner and overnight stay.

### Day 4: Aswan's Engineering Marvels and Island Sanctuaries

As the ship arrives in Aswan, the morning is dedicated to the region's core treasures. You will enjoy a short motorboat trip to Agilika Island to explore the beautiful Philae Temple, the rescued cult center of the goddess Isis. The tour proceeds to the Aswan High Dam, a modern engineering marvel that fundamentally changed the geography of Egypt. You will also visit a local essence and oil workshop to learn about the history of aromatherapy in ancient times. As the sun sets, you can choose to relax on the ship or join an optional boat trip to the vibrant Nubian Village. The day concludes with a final celebratory dinner and a cultural show on board.

### **Day 5: Final Disembarkation and Optional Abu Simbel**
