Tour Itinerary

Day 1: Aswan's Engineering Marvels and Island Sanctity

Your elite journey begins with a professional greeting in Aswan, followed by a private transfer to the Iberotel Crown Empress for check-in before lunch. After settling into your well-appointed cabin, you will begin your exploration of Aswan's historical treasures. The tour starts at the High Dam, a 20th-century engineering feat that created the massive Lake Nasser and provides sweeping views of the southern landscape. You will then take a traditional motorboat to Agilika Island to visit the romantic Philae Temple, dedicated to the goddess Isis, where your guide will explain the intricate reliefs saved from the rising waters. The afternoon concludes at the Unfinished Obelisk, located in the ancient granite quarries, offering a rare look at the stone-cutting techniques of the Pharaonic era. You will return to the ship for a gourmet welcome dinner and your first night moored in the quiet beauty of Aswan.

Day 2: Optional Abu Simbel and the Dual Temple of Kom Ombo

The second day offers the opportunity for an optional early morning excursion to the world-famous Abu Simbel Temples, the cliff-carved masterpieces of Ramses II and Queen Nefertari (available at an extra cost). For those remaining on board, the morning is spent enjoying the ship's luxury facilities as the Crown Empress begins its northward sail toward Kom Ombo. After a relaxed lunch on the sun deck, you will arrive at the Temple of Kom Ombo, a unique twin sanctuary dedicated to both Sobek the crocodile god and Haroeris the falcon god. Here, you will explore ancient astronomical calendars and medical reliefs before visiting the onsite museum of mummified crocodiles. The evening features a refined dinner as the vessel continues its journey toward Edfu, where you will spend the night on board.

Day 3: Edfu's Falcon Temple and the Grandeur of East Bank Luxor

Your morning begins with a traditional horse-drawn carriage ride through the streets of Edfu to reach the Temple of Horus. As one of the best-preserved structures in Egypt, its massive pylons and sacred chambers vividly depict the mythical battle between Horus and Seth. You will return to the ship to sail toward Luxor, enjoying lunch and the "Visual Experience" of the Nile banks gliding by. Upon arrival in Luxor, you will explore the East Bank's monumental sites, starting with the Karnak Temple Complex, where you will walk through the Great Hypostyle Hall and its 134 towering columns. As the sun sets, the tour continues to the Luxor Temple, which glows beautifully under

evening illumination. After exploring the Avenue of Sphinxes, you will return to the ship for dinner and an overnight stay in the heart of the ancient capital.

Day 4: West Bank Royal Tombs and Final Departure

On your final morning, you will enjoy a fresh breakfast before checking out of your cabin for a grand exploration of Luxor's West Bank. Your first stop is the legendary Valley of the Kings, where you will enter three selected royal tombs carved deep into the desert cliffs to admire the vibrant ancient colors. The journey continues to the Temple of Queen Hatshepsut at Deir el-Bahari, a modernist architectural masterpiece built directly into the limestone cliffs. Finally, you will pause at the Colossi of Memnon, two massive stone statues of Amenhotep III that once guarded his mortuary temple. Following this final immersive tour, you will be transferred in a private air-conditioned vehicle to the Luxor airport or railway station for your departure, carrying with you the unforgettable memories of your boutique Nile experience with Bastet Travel.
