Tour Itinerary

Day 01: Wednesday - Aswan's Engineering Marvels and Island Sanctity

Your elite 4-day adventure begins with a professional greeting at the Aswan airport or railway station by a Bastet Travel representative, followed by a smooth transfer in a private air-conditioned vehicle to the Jaz Crown Jewel for check-in. After settling into your luxurious cabin and enjoying a gourmet lunch, you will join your private Egyptologist to visit the Aswan High Dam, a monumental 20th-century achievement that created Lake Nasser and provides panoramic views of the southern Nile. You will then take a traditional motorboat to Agilika Island to visit the romantic Philae Temple, a Greco-Roman sanctuary dedicated to the goddess Isis that was expertly relocated to save it from the rising waters. The afternoon concludes at the Unfinished Obelisk, located in the ancient granite quarries, where you will gain a rare, hands-on look at the sophisticated stone-cutting techniques of the Pharaonic era. You will return to the ship for a refined welcome dinner and your first night moored in the quiet beauty of Aswan.

Day 02: Thursday - The Dual Temple of Kom Ombo and Edfu's Majestic Pylons

Following an energizing breakfast in the ship's elegant dining room, the Jaz Crown Jewel begins its northward navigation. The vessel will dock at the city of Kom Ombo, where you will visit the unique Temple of Sobek and Haroeris. This rare, perfectly symmetrical structure is dedicated to both the crocodile god and the falcon god, featuring detailed astronomical calendars and ancient medical reliefs carved into the stone. After returning to the boat for lunch and a period of relaxation on the sun deck, you will continue to the Temple of Horus in Edfu. You will travel by traditional horse-drawn carriage to reach this site, which stands as the most impeccably preserved ancient Egyptian temple in the land. After exploring its massive courtyards and the "Holy of Holies," you will return to the ship to enjoy dinner and a festive atmosphere as the cruise sails toward Luxor.

Day 03: Friday - Luxor's West Bank and the Valley of the Dead

After a delicious breakfast, you will cross to the West Bank of Luxor to uncover the mysteries of the Theban Necropolis. The tour begins at the legendary Valley of the Kings, the final resting place of the New Kingdom Pharaohs, where you will enter three selected royal tombs to admire the vibrant, ancient painted scenes of the afterlife. The exploration continues to the Temple of Hatshepsut at Deir el-Bahari, a striking modernist architectural masterpiece built directly into the towering

limestone cliffs. Your morning concludes with a visit to the Colossi of Memnon, two massive stone statues that are the only remaining landmarks of the funerary temple of Amenhotep III. In the afternoon, you may choose to participate in an optional Hot Air Balloon ride or a relaxing Felucca sail, before returning to the Jaz Crown Jewel for a final gourmet dinner and an overnight stay in the heart of Luxor.

Day 04: Saturday - East Bank Grandeur and Final Departure

On your final morning, you will enjoy a fresh breakfast before checking out of your cabin. The grand conclusion of your tour focuses on the East Bank of Luxor, starting with the Karnak Temple Complex. As the largest religious site in the ancient world, you will walk through the staggering Great Hypostyle Hall and its 134 towering pillars, constructed primarily by Ramses II. The journey continues to the Luxor Temple, another startling archaeological masterpiece established in the 14th century BC and connected to Karnak by the legendary Avenue of Sphinxes. Following this deep immersion into the splendor of Thebes, our team will provide a private transfer in a modern air-conditioned vehicle to your preferred location in Luxor, concluding your remarkable 4-day boutique Nile experience with Bastet Travel.
