Tour Itinerary

Day 01: Monday - Arrival in Esna and the Sunken Temple of Khnum

Your extraordinary Malouka Dahabiya 6 Days adventure begins with a warm welcome at Luxor Airport or the train station, where a Bastet Travel representative will provide a private transfer to the town of Esna. Your first historical encounter is at the Temple of Khnum, a breathtaking structure that remains remarkably preserved nine meters below the current street level, showcasing intricate carvings and a unique astronomical ceiling. Following the temple visit, you will enjoy a guided walk through the local Esna markets, famous for fine textiles, before embarking on the Malouka Dahabiya Nile Cruise. Settle into your luxury cabin and enjoy your first gourmet lunch as the vessel prepares for a peaceful night moored on the riverbanks of Esna.

Day 02: Tuesday - The Hidden Capital of El Kab and Edfu's Grandeur

As the sun rises, the Malouka Dahabiya 6 Days sails toward El Kab, one of the oldest archaeological sites in Egypt. You will explore the ancient city walls and the rock-cut tombs of the New Kingdom nobles, which provide a rare glimpse into the daily lives of ancient officials. After a scenic walk through a local fishing village, you will return to the boat for lunch as you sail toward Edfu. In the afternoon, a traditional horse and carriage will take you to the Temple of Horus at Edfu, the most complete temple of the Pharaonic era. Marvel at its massive pylons and the legendary battle reliefs of Horus and Seth before returning to the ship to sail toward a remote, peaceful island for a night under the stars.

Day 03: Wednesday - Sailing the Nile and Ancient Desert Trails

This day of your Malouka Dahabiya Nile Cruise is dedicated to the timeless beauty of the river. Enjoy a leisurely breakfast on the sun deck as you navigate through the lush greenery of the Nile Valley. In the afternoon, the vessel anchors at a picturesque island, offering the exclusive opportunity to swim in the Nile's pure waters or take a guided walk along an ancient desert trail. Here, your Egyptologist will point out Stone-Age inscriptions and hieroglyphs carved into the boulders, marking the start of a historic route toward Libya. As dusk approaches, the ship moors at the foot of the magnificent Gebel el-Silsila, which is beautifully floodlit against the night sky, providing a magical atmosphere for dinner.

Day 04: Thursday - The Sandstone Wonders of Gebel el-Silsila

The Malouka Dahabiya 6 Days allows for a deep exploration of Gebel el-Silsila, a site rarely visited by large cruise ships. You will explore the massive sandstone quarries where the stone for the temples of Karnak and Luxor was once sourced. Visit the rock-cut Speos of Horemheb and the commemorative stelae carved into the mountain cliffs at the Nile's narrowest point. After this exclusive tour, enjoy a traditional tea and shisha at a quaint riverside café, immersing yourself in the local atmosphere. The afternoon is spent sailing south toward Kom Ombo, with ample time for relaxation, reading in the lounge, or enjoying the panoramic views from your private suite.

Day 05: Friday - Kom Ombo's Dual Temple and the Crocodile Museum

The final full day of your Dahabiya From Luxor Aswan journey brings you to the striking Temple of Kom Ombo. This Ptolemaic masterpiece is unique for its dual design, with two symmetrical halves dedicated to the crocodile god Sobek and the falcon god Haroeris. Your expert guide will explain the medical instruments depicted in the reliefs and the ancient Nilometer used to measure the river's floods. Afterward, visit the adjacent Crocodile Museum to see ancient mummified crocodiles found in the vicinity. The Malouka Dahabiya Nile Cruise then continues its gentle journey toward Aswan, mooring for a final celebratory dinner and an overnight stay on the river.
