Tour Itinerary

Day 1: Arrival in Luxor and East Bank Grandeur

Your extraordinary 8-day journey begins with a professional greeting at the Luxor Airport or railway station by a Bastet Travel representative, followed by a private transfer in a modern air-conditioned vehicle to the MS Concerto for a seamless embarkation. After enjoying a gourmet welcome lunch on board, you will join your private Egyptologist to explore the East Bank's architectural marvels. The tour begins at the Karnak Temple Complex, a vast religious site where you will walk through the Great Hypostyle Hall and its 134 colossal columns. You will then visit the Luxor Temple, an elegant structure established in the 14th century BC that served as the center of the Opet festival. After the tour, you return to the ship for a refined dinner, with the option to attend the evening Sound & Light Show at Karnak for a dramatic introduction to Pharaonic history.

Day 2: The Art of Relaxation and Sailing Preparations

Following a signature breakfast on board, you can enjoy a free morning in Luxor to relax in the ship's full-service spa or opt for a sunrise Hot Air Balloon ride for a breathtaking panoramic view of the Theban Necropolis. The afternoon is spent at leisure on the MS Concerto, allowing you to enjoy the rooftop pool or the 360-degree views from the Panorama Bar as the crew prepares to sail southward. This leisurely pace is a hallmark of the 8-day itinerary, providing time to truly settle into your luxury accommodation. In the evening, the ship hosts a traditional folkloric show and a gourmet dinner as the vessel begins its graceful navigation toward the south.

Day 3: The Symmetrical Temple of Kom Ombo and Southern Sailing

As the MS Concerto glides through the heart of the Nile, you will wake up to the changing river views before docking at Kom Ombo. Here, you will visit the unique "double temple" dedicated to both Sobek the crocodile god and Horus the Elder, a rare dual-symmetrical shrine that offers fascinating insights into ancient medical practices and theology. After exploring the temple and the adjacent Crocodile Mummification Museum, you return to the vessel for lunch. The afternoon is spent sailing toward Aswan, providing a perfect opportunity to soak in the "Visual Experience" of the immortal riverbanks from the comfort of the sun deck. The evening features a live music performance on board as the ship approaches the southern cataracts.

Day 4: Aswan's Island Serenity and Traditional Felucca Ride

Spend a peaceful morning on the MS Concerto as you arrive in the beautiful city of Aswan. In the afternoon, you will experience the Nile as the ancients did with a traditional Felucca ride around Aswan's emerald islands. You will sail past the Agha Khan Mausoleum and the lush Elephantine Island, enjoying the tranquil breeze and panoramic views. After returning to the ship for afternoon tea, you have the evening at leisure to relax in the Jacuzzi or opt for the dramatic Sound & Light Show at the Philae Temple, where the history of the goddess Isis is brought to life through light and sound against the backdrop of the darkened river.

Day 5: Aswan's Engineering Marvels and Island Sanctity

The fifth day focuses on the unique landmarks of Aswan. Your guided program includes a visit to the High Dam, a 20th-century engineering masterpiece that created Lake Nasser and tamed the Nile's floods. You will then take a motorboat to Agilkia Island to visit the enchanting Philae Temple, a romantic complex dedicated to the goddess Isis that was rescued by UNESCO. Your exploration also includes the Unfinished Obelisk in the ancient granite quarries, providing a fascinating look at Pharaonic stone-cutting techniques. You return to the ship for lunch and spend the night docked in Aswan, allowing for a relaxed evening to explore the local spice markets or enjoy the ship's premium lounge bar.

Day 6: Northbound Sailing and the Magnificent Temple of Horus

Early in the morning, the MS Concerto begins its return journey northward toward Edfu. Upon arrival, you will experience a traditional horse-drawn carriage ride through the city to visit the Temple of Horus. This site is celebrated as the best-preserved cult temple in all of Egypt, featuring towering falcon statues and grand pylons that bring Pharaonic mythology to life. After exploring its sacred halls and detailed reliefs, you return to the ship for a refined lunch. Spend the afternoon relaxing on the sun deck as the vessel sails back toward Luxor, witnessing the mechanical excitement of passing through the Esna Lock while enjoying panoramic views of the river life.

Day 7: Luxor's West Bank and Royal Treasures

After breakfast on the MS Concerto, you will cross to the West Bank to explore the "City of the Dead." Your guided tour focuses on the legendary Valley of the Kings, the royal necropolis where New Kingdom Pharaohs were buried in hidden, richly decorated tombs. The journey continues to the striking Mortuary Temple of Queen Hatshepsut at Deir el-Bahari, a multi-terraced architectural masterpiece nestled beneath towering limestone cliffs. Before returning to the vessel, you will pause at the Colossi of Memnon, the massive twin statues that have guarded the valley for millennia. You will spend your final night on board in Luxor, enjoying a farewell dinner and an evening of music and

celebration to mark the conclusion of your voyage.

Day 8: Final Breakfast and Elite Departure

On your final morning, savor a signature breakfast on the MS Concerto before completing your check-out process at 8:00 AM. A Bastet Travel representative will meet you for a final private transfer in a modern air-conditioned vehicle to the Luxor International Airport or your local hotel.
