Tour Itinerary

Day 1: Arrival in Luxor & The Great Temples of the East Bank

Your journey begins with a warm welcome to the city of Luxor, where you will be met by our representative and transferred to the start of your tour. The morning is dedicated to the magnificent Karnak Temple, a vast complex of sanctuaries and pylons that stands as one of the largest religious sites in the world. Afterward, you will visit the 3,400-year-old Luxor Temple, built by Amenhotep III and Ramses II, which glows beautifully as the sun begins to set. Following the tour, you will be transferred to the Royal Princess Nile Cruise to check in, enjoy lunch, and relax on board for your first night in Luxor.

Day 2: The Royal Necropolis & Sailing to Edfu

Start your morning with an optional hot air balloon ride over the Theban peaks for a breathtaking aerial view of the ancient landscape. Your guided tour then visits the West Bank, beginning with the Colossi of Memnon and the legendary Valley of the Kings, where the New Kingdom Pharaohs were laid to rest in hidden tombs. You will also visit a traditional alabaster workshop to meet local artisans and see the colonnaded Temple of Queen Hatshepsut nestled against the cliffs. In the afternoon, the MS Royal Princess sets sail downstream toward Edfu, allowing you to enjoy the changing scenery from the sun deck.

Day 3: The Falcon God & The Symmetrical Riverside Temple

This morning offers a unique cultural experience as you take a traditional horse carriage through the city of Edfu to visit the Edfu Temple, dedicated to the falcon-headed god Horus. This site is celebrated as the best-preserved cult temple in Egypt, featuring massive pylons and detailed reliefs. After returning to the ship, enjoy lunch on board as we continue our scenic cruise toward Kom Ombo. In the late afternoon, you will explore the Temple of Kom Ombo, a rare double temple perfectly symmetrical along its axis and dedicated to both Sobek the crocodile god and Haroeris the falcon god.

Day 4: Aswan's Island Wonders & The High Dam

Upon reaching Aswan, you will enjoy breakfast before taking a short, scenic boat trip to Agilika Island to explore the beautiful Philae Temple, dedicated to the goddess Isis. You will learn about the

heroic UNESCO rescue effort that moved this entire complex to higher ground to save it from the waters of Lake Nasser. The tour continues to the Aswan High Dam, a modern marvel of engineering that transformed the Egyptian landscape. In the afternoon, you can visit an essence and oils workshop to learn about ancient aromatherapy or choose an optional sunset trip to a traditional Nubian Village.

Day 5: Optional Abu Simbel & Final Departure

On your final day, you have the opportunity to join an early morning optional excursion to the world-famous Abu Simbel Temple, where the massive statues of Ramses II guard the entrance to the mountain-carved sanctuary. For those remaining on board, it is a morning of relaxation and a final breakfast as you prepare for check-out at 8:00 AM. Your experience concludes with a smooth, private transfer provided by Bastet Travel to Aswan Airport or the railway station for your onward journey, leaving you with a profound appreciation for the wonders of the Nile.
