Philae Temple (Island Temple)

- An exceptionally romantic island sanctuary dedicated to the goddess Isis, rescued stone-by-stone from rising river waters and accessible via a scenic local motorboat cruise to Agilika Island.

Temple of Kom Ombo

- A unique, perfectly symmetrical riverside double temple dedicated jointly to Sobek the crocodile god and Haroeris the falcon god, featuring fascinating ancient medical reliefs.

Edfu Temple

- The most completely preserved Ptolemaic cult temple in Egypt, accessible by traditional horse carriage and famous for its towering sandstone pylon gates and intact holy chambers.

Karnak Temple (including the Great Hypostyle Hall)

- A massive, sprawling religious complex dedicated to Amun-Ra, dominated by the breathtaking Great Hypostyle Hall supported by 134 colossal, hieroglyphic-covered columns.

Luxor Temple

- An elegant, beautifully lit urban temple complex built by Amenhotep III and completed by Ramesses II, running parallel to the scenic Nile corniche of ancient Thebes.

Valley of the Kings

- The legendary hidden canyon necropolis where New Kingdom pharaohs were laid to rest in deep, rock-cut tombs filled with vibrant, well-preserved religious murals and underworld texts.

Hatshepsut Temple (terraced temple)

- A striking, multi-tiered classical terraced temple rising sharply against the dramatic limestone cliffs of Deir El Bahari, honoring Egypt's great female pharaoh.

Colossi of Memnon
