By securing this comprehensive **7 Days Cairo, Aswan, Luxor and Sahara Desert Tour**, you will explore the cosmic creations of pharaonic intelligence inside the newly inaugurated **Grand Egyptian Museum**—including the Hanging Obelisk, King Ramses II Statue, 10 Statues of King Senusert, Grand Staircase, Statues of Ptolemaic Kings and Queens, and the Victory Column of King Merenptah within the Grand Atrium—complemented by the timeless masterpieces inside the classic **The Egyptian Museum**.

Transitioning southward to the borderlands of Nubia and the sacred banks of the **Nile River**, this highly specialized **7 Days Cairo, Aswan, Luxor and Sahara Desert Tour** drops you directly into the imperial heart of the New Kingdom. Travelers will witness the profound architectural scale of the rock-cut **Abu Simbel Temples Complex**, analyzing the massive seated rulers guarding the Large Temple of Ramses II and the elegant facade of the Temple of Queen Nefertari. As the journey advances to Thebes, this masterfully paced **7 Days Cairo, Aswan, Luxor and Sahara Desert Tour** uncovers the structural balance of the rock-cut **Temple of Hatshepsut**, the subterranean royal tombs slicing deep into the limestone ravines of the **Valley of the Kings** (including the legendary, treasure-laden Tomb of Tutankhamun), and the weathered, twin sandstone monuments known as **The Colossi of Memnon**, before culminating in the grand hypostyle halls and avenue of

sphinxes at **Karnak Temple**.

The expedition then shifts gears completely, trading the fertile riverbanks for a rugged 4x4 deep-desert safari into the legendary Egyptian wilderness. This thrilling phase of the **7 Days Cairo, Aswan, Luxor and Sahara Desert Tour** transports you to the remote **Bahariya Oasis (Al-Bawaiti City)**, your gateway to an otherworldly ecosystem.
