### Day 2: Giza Plateau, Cairo Museums & Grand Egyptian Museum Preview

Your **private Egyptologist guide** collects you from your hotel to begin the defining day of your **8 Days Egypt Luxury Tours** — a comprehensive visit to the **Giza Plateau**, home to the **Great Pyramid of Khufu** (built circa 2550 BC, with a base level accurate to within 2.1 cm), the **Pyramid of Khafra** (2540 BC), and the **Pyramid of Menkaure** (26th century BC, celebrated for its exceptional sculptural legacy). You then stand before the **Great Sphinx** — a 73-meter-long limestone colossus — and visit the granite **Valley Temple of Khafra**. Lunch is served at a local restaurant near the plateau before an afternoon at the **Egyptian Museum in Tahrir**, where 250,000 authentic artifacts — including the complete golden **treasures of Tutankhamun** — fill room after room. An optional visit to the **National Museum of Egyptian Civilization's Royal Mummies Hall** is available for an additional \$40 per person. This **Egypt Tour Package** day also includes a **limited-access preview of the Grand Egyptian Museum** — currently open for the **Grand Hall**, commercial area, and exterior gardens ahead of its official full opening. An optional **Giza Sound and Light Show** is available in the evening for \$40 per person. Overnight at your **5-star Cairo hotel**.

### Day 3: Cairo to Luxor — Nile Cruise Embarkation & East Bank Temples

A private transfer takes you from your **Cairo hotel** to the airport for a short domestic flight to **Luxor** — the point at which your **8 Days Egypt Luxury Tours** shifts from metropolitan grandeur to ancient river civilization. A **Bastet Travel** agent meets you at **Luxor Airport** and escorts you to your **5-star Nile Cruise** for embarkation and a welcome lunch on board. Your afternoon is dedicated to **Luxor's East Bank**: first, **Karnak Temple Complex** — spanning over 200 acres, the

largest religious building ever constructed, dedicated to the Theban Triad of **Amun, Mut,** and **Khonsu** — then **Luxor Temple**, a New Kingdom sanctuary built largely by **Amenhotep III** (circa 1390 BC), completed by **Tutankhamun**, and expanded by **Ramses II**, whose First Pylon commemorates the **Battle of Kadesh**. Dinner and overnight on board the cruise in **Luxor** — a full-board **Egypt Tour Package** experience from this evening onward.

---

#### **Day 4: Valley of the Kings, West Bank Monuments & Sail to Edfu**

An optional **hot air balloon ride** (\$120 per person) over the **West Bank** at dawn offers an aerial perspective on the ancient landscape before the ground-level touring of your **8 Days Egypt Luxury Tours** begins. After breakfast on board, your guide leads you across the **Nile** to the **Valley of the Kings** — the royal necropolis containing over 63 rock-cut tombs where New Kingdom pharaohs including **Tutankhamun, Ramses II,** and **Seti I** were laid to rest in gold-adorned chambers. You then visit the **Colossi of Memnon** — two 18-meter quartzite statues of **Amenhotep III** — before the **Temple of Queen Hatshepsut** at **Deir el-Bahari**, a three-tiered colonnaded monument merging with the **Theban Mountain's** limestone cliffs. At 13:00, the cruise sets sail toward the **Esna Lock** — the only navigational lock on the Egyptian **Nile** — with lunch served during the sail, arriving in **Edfu** for dinner and overnight on board as part of your **Egypt Tour Package**.

---

#### **Day 5: Edfu Temple, Kom Ombo Temple & Sail to Aswan**

At 07:00, your **8 Days Egypt Luxury Tours** delivers one of Egypt's most complete ancient experiences — a visit to **Edfu Temple**, the best-preserved Ptolemaic sanctuary in the country, dedicated to the hawk-god **Horus** and built between 246 BC and 57 BC, with walls carrying the full text of the **Myth of the Contending of Horus and Seth**. Returning to the cruise at 09:30, you sail south toward **Kom Ombo**, where the uniquely symmetrical **Kom Ombo Temple** — dedicated equally to **Sobek** and **Horus** and dating to the Ptolemaic and Roman periods (332 BC-395 AD) — awaits your afternoon visit at 15:30. Dinner is served on board as the cruise continues sailing to **Aswan**, arriving at 21:00 — a beautifully sequenced river day that captures the Ptolemaic soul of this **Egypt Tour Package**. Overnight on board the cruise in **Aswan**.

---

#### **Day 6: Aswan — Philae Temple, High Dam, Obelisk & Felucca Sail**

After breakfast on board, your **8 Days Egypt Luxury Tours** moves into the deep south of Egypt for a full day in **Aswan** — one of the most scenically and historically compelling chapters of this **Egypt Tour Package**. At 08:00, your guide takes you to **Philae Temple** — the last sanctuary built in classical Egyptian style, dedicated to the goddess **Isis**, with origins dating to around 690 BC and now situated on **Agilkia Island** following its UNESCO-supervised relocation. You then visit the **Aswan**

**High Dam** — a 3.6-kilometer rock-fill structure completed in 1968 that created **Lake Nasser**, stretching over 550 km — before the **Unfinished Obelisk** in **Aswan's Northern Quarries**, an abandoned granite monument estimated at 1,168 tonnes. In the afternoon, a traditional **felucca** sailing boat takes you around **Elephantine Island** — one of Egypt's oldest inhabited sites. Lunch and dinner are both served on board, with overnight on the cruise in **Aswan**.

---

### **Day 7: Optional Abu Simbel, Flight to Cairo & Return to Hotel**

An optional excursion to the **Abu Simbel Temples** (\$100 per person) opens Day 7 of your **8 Days Egypt Luxury Tours** with an early-morning drive from **Aswan** to the shores of **Lake Nasser**. The **Great Temple of Ramses II** — carved directly into the sandstone cliffs between 1274 and 1244 BC, featuring four colossal 20-meter seated statues and an interior aligned with solar precision — and the adjacent **Temple of Queen Nefertari**, dedicated to **Hathor**, were both dismantled and relocated 65 meters uphill between 1964 and 1968 in what UNESCO considers its greatest single preservation achievement. Following the visit, you fly from **Aswan** to **Cairo**, where a **Bastet Travel** representative transfers you to your **5-star Cairo hotel** for your final two nights of this **Egypt Tour Package**. Breakfast and lunch are included; overnight at your **Cairo hotel**.

---

### **Day 8: Old Cairo — Islamic Quarter, Coptic Cairo & Khan el-Khalili**

At 08:00, your **private Egyptologist guide** begins the closing chapter of your **8 Days Egypt Luxury Tours** with a full-day orientation through **Old Cairo** — a living archive of Islamic, Coptic, and Jewish history accumulated over two thousand years. You ascend to the **Saladin Citadel** — built by Salah al-Din al-Ayyubi on the **Moqattam Hills** in 1183 AD as a defense against Crusader campaigns — and visit the **Mosque of Muhammad Ali Pasha**, an Ottoman alabaster masterpiece designed by Turkish architect **Youssef Boushaq** and completed in 1848. Lunch at a local **Old Cairo** restaurant precedes your descent into **Coptic Cairo**: the **Hanging Church** (suspended above the Roman fortress of Babylon), the **Ben Ezra Synagogue** (9th century AD), the **Church of St. Barbara**, and the **Church of Abu Serga** — one of the oldest functioning Coptic churches in Egypt. The **Khan el-Khalili Bazaar** — a labyrinthine 14th-century Mamluk-era market — closes this final touring day before a **Bastet Travel** representative transfers you to **Cairo International Airport** and guides you through all departure formalities, bringing your **Egypt Tour Package** to its conclusion. Breakfast and lunch are included.
