Why You Will Love This Package

All Inclusive Taba Vacation 10 Days: Red Sea Bliss & Ancient Wonders | Bastet Travel Golden Sinai peaks, vibrant coral reefs, and the monumental legacy of the pharaohs come together seamlessly in the All Inclusive Taba Vacation 10 Days package by Bastet Travel. This meticulously designed Egypt Tour Package offers a balanced, high-yield itinerary that transitions smoothly from deep relaxation on the shores of the Red Sea to profound spiritual exploration in the high desert, and ultimately to the world-famous archaeological wonders of Cairo and Luxor. Operating with absolute logistical efficiency, this premium tour allows travelers to experience the diverse geographical and historical facets of Egypt without the stress of managing long-distance transport, flight connections, or border protocols.

Discover the All Inclusive Taba Vacation 10 Days & Its Outstanding Landmarks

The true brilliance of the All Inclusive Taba Vacation 10 Days lies in its sweeping, cross-country geographic logic. The journey begins at the northernmost tip of the Gulf of Aqaba, where the pristine Taba beaches serve as a tranquil, luxury staging ground. Instead of confining your vacation to a single coastal resort, this itinerary utilizes private modern transportation to cut through the stark, beautiful interior of the Sinai Peninsula. Here, you will experience the staggering spiritual weight of Mount Sinai and the UNESCO-listed Saint Catherine Monastery, standing at the literal crossroads of ancient empires and faiths.

From the mountain wilderness, the tour shifts gears into the grand urban and dynastic history of mainland Egypt. A private transfer brings you to Cairo, where Old Kingdom engineering marvels like the Giza Pyramids and the Saqqara ancient complex dominate the horizon, complemented by the labyrinthine lanes of Islamic Cairo and the architectural gems of El-Moez Street. Rather than enduring exhausting multi-hour bus rides, a domestic flight whisks you directly south to Luxor, ancient Thebes, to marvel at the New Kingdom architectural triumphs of the Valley of the Kings and Karnak Temple. Finally, a second domestic flight delivers you to the world-renowned Sharm El Sheikh beaches and resorts for premium marine recreation before completing the loop back to Taba. It is a comprehensive masterclass in Egyptian travel that blends luxury beach leisure, sacred pilgrimage, and world-class archaeology into a flawless 10-day timeline.

What truly distinguishes this program from standard itineraries is the unwavering dedication to "All Inclusive Taba" comfort and privacy. Traveling through Egypt can occasionally present logistical bottlenecks, but Bastet Travel removes every potential friction point. From the moment you cross the Taba border, a private representative manages your entry visa formalities and escorts you to your private, modern air-conditioned vehicle. Your sightseeing tours are strictly private, guided by a dedicated expert Egyptologist who tailors the depth of information to your personal style. Meals are

fully integrated across the itinerary—including comprehensive full-board packages at your beach resorts and historic stays—while hidden fees are completely eliminated by including all entrance tickets, service charges, and even driver and guide tipping in the upfront price.

Deep Dive into the Landmarks with the All Inclusive Taba Vacation

The Sinai Peninsula: Taba, St. Catherine & Sharm El Sheikh

The coastal and mountainous geography of the Sinai forms the physical bookends of the All Inclusive Taba Vacation 10 Days. The journey kicks off along the crystal-clear waters of the northern Red Sea, where the exclusive **Taba beaches** offer dramatic views of the gulf flanked by steep granite mountains. Just offshore lies the historic **Saladin Citadel** area near Pharaoh's Island, a medieval fortress built to protect pilgrim and trade routes. Moving deep into the rugged interior, the landscape rises dramatically toward **Mount Sinai**, the legendary 2,285-meter peak where ancient traditions record the receipt of the Ten Commandments. Nestled directly at the foot of these jagged cliffs sits the fortified **Saint Catherine Monastery**, one of the oldest continuously inhabited Christian monasteries in the world. This sacred site houses the living **Burning Bush** and an **ancient library** containing a priceless collection of early illuminated manuscripts and icons second only to the Vatican. Concluding the Sinai experience, the tour brings you to the vibrant **Sharm El Sheikh beaches/resorts**, world-famed for their premium amenities and immediate access to the teeming coral reefs and underwater walls of the southern Red Sea.

Cairo: Giza Plateau, Saqqara & Islamic Heritage

The mid-point of the All Inclusive Taba Vacation 10 Days introduces you to the staggering scale of Egypt's capital city. The historical exploration opens on the west bank of the Nile at the iconic **Giza Pyramids**, featuring the Great Pyramid of Khufu (the last standing Wonder of the Ancient World), the Pyramid of Khafre, and the Pyramid of Menkaure. Guarding these monumental tombs is the enigmatic **Sphinx**, a colossal limestone monolith displaying the body of a lion and the face of a pharaoh. A short drive south leads to the **Saqqara ancient complex**, a vast Pharaonic necropolis centered around the revolutionary Step Pyramid of Djoser, designed by the architect Imhotep in the 27th century BC. Shifting from the ancient empires to the medieval golden age, the tour explores **Islamic Cairo**, a dense historical district characterized by soaring minarets and fortified gates. Here, you will walk along **El-Moez Street**, a spectacular open-air museum of medieval Islamic architectural gems, including stunning Mamluk and Fatimid mosques, schools, and fountains, before diving into the sensory world of the historic **Khan El Khalili bazaar** to trade with local artisans. The urban exploration concludes at the classical **Egyptian Museum**, home to an incomparable collection of Pharaonic antiquities, papyri, and masterworks spanning thousands of years.

Luxor: The Grandeur of Ancient Thebes

By utilizing efficient domestic flights, the All Inclusive Taba Vacation 10 Days drops you directly into the religious capital of the New Kingdom. On the West Bank of the Nile, you will descend into the hidden, rock-cut tombs of the **Valley of the Kings**, where rulers like Tutankhamun and Ramses the Great were buried in brilliantly painted chambers deep within the limestone hills. Nearby stands the breathtaking **Mortuary Temple of Queen Hatshepsut**, a radical architectural masterpiece featuring three rising, symmetrical terraces built flush against the towering cliffs of Deir el-Bahari. Marking the entrance to the Theban necropolis are the **Colossi of Memnon**, two massive, 18-meter-high quartzite stone statues depicting Pharaoh Amenhotep III. On the East Bank of the river, the tour explores the staggering **Karnak Temple**, a massive religious complex built over a period of 2,000 years, famed for its Great Hypostyle Hall containing 134 colossal sandstone columns arranged in majestic rows.
