Cairo And Nile Cruise Landmark Highlights

The Grand Architecture of Lower Egypt (Cairo)

Your journey opens in the bustling capital, focusing on the timeless Pharaonic monuments of the Old Kingdom. You will experience an immersive guided expedition across **The Giza Plateau** to stand before the colossal Pyramids (Khufu, Khafre, and Menkaure), explore the architectural alignment of the Valley Temple, and view the legendary limestone Sphinx guarding the funeral complex. From the desert fields, your private guide will transition you to **The Egyptian Museum**, which safely houses over 250,000 genuine antiquities. Here, you will enjoy a dedicated walkthrough of the famous King Tutankhamun Room, marveling at the solid gold treasures, jewelry, and funerary masks that lay sealed in his tomb for over 3,500 years.

The Mythological Sanctuaries of Upper Egypt (Aswan to Luxor)

Flying south to Upper Egypt, your package unlocks an extraordinary succession of ancient temples and archaeological wonders along the Nile:

- **Aswan's Monuments:** A guided tour of the twentieth-century engineering marvel of the High Dam, a scenic motorboat ride to Agilika Island to explore the Greco-Roman Philae Temple (dedicated to the goddess Isis), and an up-close look at the massive red granite Unfinished Obelisk.
- **Riverside Temples:** Dedicated shore excursions to the unusual dual Temple of Kom Ombo—harmoniously dedicated to the crocodile god Sobek and the falcon god Haroeris—followed by an authentic horse carriage ride through Edfu to explore the fully preserved Temple of Horus.
- **The Imperial Splendors of Luxor (Ancient Thebes):** A comprehensive exploration of both sides of the river. On the West Bank, take a smooth Taftaf trailer ride into the sacred royal tombs at the Valley of the Kings, visit the majestic terrace-style Temple of Queen Hatshepsut carved straight into the mountain cliffs, and stop at the giant twin Colossi of Memnon. On the East Bank, wander through the colossal stone columns of the massive Karnak Temple Complex and the majestic Luxor Temple sitting proudly in the center of the city.

What is Included: Your Seamless Egypt Story

From the moment you touch down, **Bastet Travel** orchestrates a flawless holiday story where every logistical detail is beautifully handled. Your 6-day **Cairo And Nile Cruise** welcomes you with personal airport meet-and-greet services, transitioning you smoothly via private air-conditioned vehicles to a premium 4-star hotel in Cairo for 2 nights and a luxury 5-star Nile Cruise boat for 3 nights. Your journey is fully fueled by five fresh breakfasts, four authentic lunches, and three elegant dinners on board. You will explore Egypt's crown jewels alongside an expert, private English-speaking guide, with all entrance fees to listed sites—including the Giza Pyramids, the King Tutankhamun Room, and the Valley of the Kings—fully pre-paid. To maximize your time, swift domestic flight tickets (Cairo to Aswan and Luxor back to Cairo) are completely covered, complemented by unique local transport like a horse carriage at Edfu and a Taftaf at the Valley of the Kings, complimentary bottled water on tours, and 24/7 customer service assistance with all service charges and taxes included.

Practical Travel Tips For Your Cairo & Nile Cruise

- **Best Time to Travel:** Traveling between October and April offers the most pleasant, mild weather for exploring open-air archaeological sites in Upper Egypt. If traveling during warmer months, your private guide will strategically schedule early morning departures to avoid midday desert heat.

- **What to Wear:** Opt for light, breathable cotton or linen clothing. Comfortable, closed-toe walking shoes are absolutely essential for navigating the gravel paths of the Valley of the Kings and the massive stone courtyards of Karnak and Giza. Don't forget a wide-brimmed hat, sunglasses, and high-SPF sunscreen.
