Cairo Luxor Tour Package Landmark Highlights

The Treasures of Lower Egypt (Cairo)

Your time in the capital focuses on the monuments that have captured human imagination for millennia. You will experience a comprehensive, guided exploration of **The Giza Plateau**, home to the Great Pyramids of Giza (Khufu, Khafre, and Menkaure) and the monumental limestone Sphinx that has stood guard over the necropolis for ages. From there, you will journey to **The Egyptian Museum at Tahrir Square**, a world-renowned repository housing tens of thousands of authentic Pharaonic antiquities. Here, your guide will fast-track you to the invaluable collection of King Tutankhamun and lead you through a unique, unforgettable entry into the Mummies' Room to

stand face-to-face with the real ancient rulers of Egypt.

The Wonders of Ancient Thebes (Luxor)

Upon landing in Upper Egypt, your **Luxor** exploration begins on the legendary West Bank Necropolis. You will descend deep inside the sacred desert canyons of **The Valley of the Kings** to view beautifully preserved royal tombs, including an exclusive, highly coveted entry into the original **Tomb of King Tutankhamun**. Your West Bank itinerary also features a historic stop at the fully preserved **Howard Carter House**, the former home of the famous British archaeologist who discovered the young king's resting place in 1922. You will then explore the dramatic **Temple of Queen Hatshepsut (Deir El-Bahari)**, an architectural marvel built directly into towering limestone cliffs, before pausing at the giant **Colossi of Memnon**—two massive stone sentinels belonging to Pharaoh Amenhotep III.

To conclude the day, you will cross back over the Nile to explore the East Bank Jewels. This includes a massive tour of the spectacular **Karnak Temple Complex** (the largest religious structure in human history, dedicated to Amun-Ra) and the beautifully preserved, majestic **Luxor Temple**, which sits proudly in the heart of ancient Thebes and features monumental reliefs completed by Ramses II.

What is Included in Your Journey

From the moment you touch down, **Bastet Travel** orchestrates a flawless holiday story where every logistical detail is beautifully handled. Your 4-day **Cairo Luxor Tour Package** welcomes you with personal airport meet-and-greet services, transitioning you smoothly via private air-conditioned vehicles to a premium hotel in Cairo for a relaxing 3-night stay. Every morning begins with a fresh breakfast, while two authentic local lunches fuel your daytime discoveries. You will explore Egypt's crown jewels alongside an expert, private English-speaking guide, with all entrance fees to listed sites including the Giza Pyramids, the Egyptian Museum, the Mummies' Room, and Tutankhamun's exclusive tomb fully pre-paid. To maximize your time, swift round-trip domestic flights between **Cairo** and **Luxor** are completely covered, complemented by complimentary bottled water on tours, helpful portage, and 24/7 customer service assistance with all service charges and taxes included.

Practical Travel Tips For Your Cairo & Luxor Tour

- **Best Time to Travel:** Traveling between October and April offers the most pleasant, mild weather for exploring open-air archaeological sites in Upper Egypt. If traveling during warmer months, your private guide will strategically schedule early morning departures to avoid midday desert heat.
- **What to Wear:** Opt for light, breathable cotton or linen clothing. Comfortable, closed-toe walking shoes are absolutely essential for navigating the gravel paths of the Valley of the Kings

and the stone courtyards of Karnak. Don't forget a wide-brimmed hat, sunglasses, and high-SPF sunscreen.

- **Payment & Gratuities:** While all major entrance fees, flights, and transfers are fully pre-paid by **Bastet Travel**, it is always useful to carry a small amount of local Egyptian Pounds (EGP) for personal souvenirs, optional evening snacks, or tipping local drivers and site attendants.

Book Your Egypt Adventure Today

Why spend weeks stressfully coordinating flights, entry permits, and guides on your own? Let the local experts at **Bastet Travel** handle all the logistics so you can experience Egypt exactly the way it was meant to be seen: smoothly, privately, and luxuriously.
