Why You Will Love This Package

The timeless allure of Egypt reveals itself most profoundly when you contrast the tranquil, coral-fringed coastlines of the Sinai Peninsula with the monumental, sun-bleached antiquities of the Nile Valley. Our premier **Holiday to Taba With Nile Cruise** offers a masterfully balanced 15-day, 14-night expedition tailored for travelers who refuse to choose between world-class coastal relaxation and legendary historical immersion. This highly organized comprehensive itinerary smoothly bridges five distinct regions, matching the serene isolation of Taba with the high-energy wonders of Cairo, a classic seven-night luxury river cruise, and an exclusive excursion into the deep south to witness Abu Simbel.

At **Bastet Travel**, we eliminate the logistical friction often associated with navigating the diverse landscapes of the Sinai desert and Upper Egypt. Our luxury approach guarantees an effortless journey, utilizing private air-conditioned vehicles for scenic transits, highly coordinated domestic connections, and private transfers at every terminal. Throughout your journey, dedicated English-speaking Egyptologists provide expert, scholarly guidance at each archaeological site, managing all specialized permits, premium entry tickets, and local timing variables behind the scenes so you can remain entirely present in the destination.

This definitive **Egypt Tour Package** is intentionally structured to preserve the romance of slow travel while checking off every landmark on your bucket list. Spend your first days unwinding along the crystalline waters of the Gulf of Aqaba and exploring biblical mountains, then dive into the bustling museums of Cairo before embarking on a seven-night floating hotel experience between Luxor and Aswan. Supported by all-inclusive resort stays and refined onboard cruise hospitality, this customized holiday delivers the ultimate, zero-stress connection to 5,000 years of human achievement.
