The **9 Days in Egypt Package** by **Bastet Travel** is the most complete **Egypt Tour Package** for travelers who refuse to choose between ancient history and coastal luxury combining the **Pyramids of Giza**, a **3-night Nile Cruise**, the temples of **Upper Egypt**, and **3 nights on Hurghada's Red Sea** in a single seamlessly guided journey.

Discover 9 Days in Egypt Package & Outstanding Landmarks

Beginning in **Cairo** with the legendary **Egyptian Museum in Tahrir Square** and the towering mass of the **Great Pyramids of Giza**, the itinerary moves south by flight to **Aswan**, boards a **luxury Nile Cruise** for three nights of full-board sailing through the temples of **Upper Egypt**, and then transitions east to **Hurghada** for three days of pure Red Sea relaxation. Tour Itinerary

Day 1: Arrival in Cairo & Khan el-Khalili Evening

The 9 Days in Egypt Package begins at Cairo International Airport, where a Bastet Travel representative meets every arriving guest and transfers them to the hotel by private air-conditioned vehicle. Guests arriving before 3:00 PM check into the hotel first before the group departs together at 6:30 PM for the first evening at Khan el-Khalili Bazaar — the 14th-century Mamluk market at the heart of Islamic Cairo, where narrow lantern-lit alleys, artisan workshops, and traditional cafés create a sensory introduction to Cairo that no museum can replicate. Guests arriving after 3:00 PM are transferred directly to the dinner venue at Khan el-Khalili. The entire group returns to the hotel together, closing the opening evening of this 9 Days in Egypt Package in the most atmospheric corner of the city. Overnight in Cairo.

Day 2: Egyptian Museum & Great Pyramids of Giza

After breakfast at the hotel, your Egyptologist guide escorts the group — in a private, air-conditioned vehicle — to begin the most landmark-dense day of your 9 Days in Egypt Package. The Egyptian Museum in Tahrir Square — the square that became the epicenter of Egypt's 25th January Revolution — houses over 120,000 authentic Pharaonic artifacts, anchored by the complete treasures of Tutankhamun: his gold burial mask, solid gold throne, canopic jars, and the full contents of the only intact royal tomb ever discovered in Egypt. After a lunch break, the group proceeds to the Giza Plateau — or, depending on Cairo traffic conditions, the visit order may be reversed — for a full visit to the Great Pyramid of Khufu (originally 147 meters, built circa 2550 BC), the Pyramid of Khafre (2540 BC), and the Pyramid of Menkaure (26th century BC), with the Great Sphinx standing before the entire complex. The Egypt Tour Package group entrance fee does not include individual tickets inside specific pyramids. A camel ride at the plateau rounds off the afternoon before the group returns to the Cairo hotel. Overnight in Cairo.

Day 3: Islamic Cairo — Mosques, Citadel & Free Evening

Breakfast at the hotel opens the third day of your 9 Days in Egypt Package — a complete immersion in the medieval Islamic heritage of Cairo that provides an entirely different lens on this ancient city. Your Egyptologist guide leads the group first to the Mosque of Ibn Tulun — the oldest intact functioning Islamic monument in Cairo, built in 876–879 AD in the rare Abbasid architectural style — then to the Mosque-Madrassa of Sultan Hassan (1356 AD), the most architecturally unified of all

Cairo's Mamluk monuments, and the adjacent Sultan Al-Rifa'i Mosque (completed 1912 AD), the royal burial site of Egypt's dynastic family. The Citadel of Saladin — built by Salah al-Din al-Ayyubi on the Moqattam Hills in 1183 AD as a fortress against Crusader campaigns and serving as the seat of Egyptian power for over 700 years — completes the morning's Islamic circuit of this Egypt Tour Package. The afternoon and evening are entirely free, allowing independent exploration or rest ahead of the following morning's departure to Aswan. Overnight in Cairo.

Day 4: Flight to Aswan & Nile Cruise Embarkation

After breakfast and check-out, a Bastet Travel representative transfers the group to Cairo Airport for the domestic flight to Aswan — the moment your 9 Days in Egypt Package transitions from the metropolitan energy of Cairo to the serene, granite-framed landscapes of Upper Egypt. Upon landing in Aswan, the group transfers directly to the dock to board the Sara Nile Cruise (or similar) — a quality-graded vessel operating on a full-board basis throughout the cruise. Dinner on board marks the official beginning of three extraordinary nights on the River Nile, the floating centerpiece of this Egypt Tour Package. Overnight on the cruise in Aswan.

Day 5: Philae Temple, Kom Ombo Temple & Sail to Edfu

Breakfast on board opens a full touring day within your 9 Days in Egypt Package — beginning with a visit to the Temple of Philae, the last sanctuary built in the classical Egyptian style (dedicated to the goddess Isis, origins circa 690 BC, relocated to Agilkia Island in a UNESCO-supervised operation completed in 1980). The cruise then sails north to Kom Ombo, where the Temple of Kom Ombo — a uniquely double-structured Ptolemaic sanctuary dedicated symmetrically to the crocodile-headed Sobek and the falcon-headed Haroeris (332 BC–395 AD) — awaits your afternoon visit. Continuing north, the cruise sails to Edfu for dinner and overnight on board — a beautifully sequenced river day that captures the Ptolemaic soul of this Egypt Tour Package across two temple cities in a single sail.

Day 6: Edfu Temple, Esna Lock & Luxor East Bank Temples

Breakfast on board precedes an early-morning visit to the Temple of Edfu — the best-preserved ancient temple in Egypt, dedicated to the hawk-god Horus and built between 246 BC and 57 BC, with walls carrying the complete Myth of the Contending of Horus and Seth. Returning to the cruise, the ship sails through the Esna Lock — the only navigational lock on the Egyptian Nile, an engineering spectacle in its own right — with lunch served on board during the sail. Arriving in Luxor, your guide leads the group to the East Bank for visits to Karnak Temple Complex — spanning over 200 acres, the largest religious building ever constructed, dedicated to Amun, Mut, and Khonsu — and Luxor Temple, the New Kingdom sanctuary at the heart of ancient Thebes dedicated to Amun Ra. Dinner

on board the cruise closes the most temple-rich day of your 9 Days in Egypt Package. Overnight on the cruise in Luxor.

Day 7: Valley of the Kings, Hatshepsut Temple & Transfer to Hurghada

Breakfast on board and disembarkation mark the final cruise morning of your 9 Days in Egypt Package — followed by a definitive West Bank morning in Luxor. The Valley of the Kings — the royal necropolis containing over 63 rock-cut tombs where New Kingdom pharaohs including Tutankhamun, Ramses II, and Seti I were buried — is followed by the Mortuary Temple of Queen Hatshepsut at Deir el-Bahari, a three-tiered colonnaded masterpiece built in the 15th century BC against the sheer limestone cliffs of the Theban Mountain. Note that the Egypt Tour Package group entrance covers the Valley of the Kings site; individual tomb tickets are purchased separately on site. After the West Bank visits, the group boards a private vehicle for the transfer east across the Eastern Desert to Hurghada — a journey that crosses the full breadth of Upper Egypt and delivers you to the Red Sea coast by afternoon. Check-in at Jasmine Palace Resort or Fort Arabesque Resort (or similar) closes the most geographically dramatic day of the entire 9 Days in Egypt Package. Overnight in Hurghada.

Day 8: Free Day at Hurghada — Red Sea & Optional Islands Excursion

Breakfast at the resort opens a completely free day within your 9 Days in Egypt Package — the deliberate decompression chapter of an Egypt Tour Package that has covered six cities and thousands of years of history in the preceding seven days. The Red Sea at Hurghada offers some of the world's most accessible snorkeling and diving, with the resort's beach providing direct entry to clear, warm waters above healthy coral gardens. An optional boat trip to the Red Sea Islands — a chain of protected coral reef islands accessible by organized excursion from Hurghada — is available for those who want to explore beyond the resort beach. The day is entirely yours, with full-board dining at the resort providing breakfast, lunch, and dinner without any additional cost. Overnight in Hurghada.

Day 9: Free Morning, Check-Out & Departure from Hurghada

A final resort breakfast and a free morning on the Red Sea coast close the 9 Days in Egypt Package at its most leisurely pace. After check-out, guests are transferred to Hurghada Airport for departure — either on international flights home or on domestic flights back to Cairo for those continuing with an extension program arranged by Bastet Travel. This final transfer marks the conclusion of Bastet Travel's services on this Egypt Tour Package, completing a journey that has moved from the medieval markets of Cairo to the ancient temples of the Nile and arrived, finally, at the living blue of the Red Sea.
