Visitors can walk directly alongside the massive blocks of **The Great Pyramid of Khufu (Cheops)**—the largest and oldest of the structures and the only surviving monument of the 7 Wonders of the

Ancient World—as well as **The Pyramid of Khafre (Chephren)** and **The Pyramid of Menkaure (Mykerinus)**. Guarding this massive royal plateau is the colossal limestone sculpture of **The Great Sphinx**, which sits adjacent to the megalithic granite blocks of **The Valley Temple**, historically utilized for royal mummification rituals. Starting your **Alexandria to Pyramids of Giza** package here offers an unmatched look into ancient royal power, making it the finest **Alexandria to Pyramids of Giza** experience available today.

World-Class Cairo Museums

The historic, columned halls inside **The Egyptian Museum (Tahrir)** house an unrivaled collection of over 250,000 genuine antiquities spanning five thousand years of history, including the legendary golden burial masks and jewels discovered in King Tutankhamun's tomb. For travelers who want to see more royal history, the modern galleries of the **National Museum of Egyptian Civilization (NMEC)** showcase the perfectly preserved bodies of Egypt's legendary pharaohs inside its unique underground Royal Mummies Hall. This comprehensive **Alexandria to Pyramids of Giza** itinerary also lets you view the grand architecture of the new **Grand Egyptian Museum (GEM)**, where limited tours provide access to the monumental Grand Hall and exterior gardens before its final official opening.

Islamic Cairo Medieval Fortifications

Perched high on a limestone hill overlooking the capital, the spectacular stone ramparts of the **Citadel of Salah El-Din** served as Egypt's official seat of government for nearly seven centuries after its construction began in 1176. Inside these medieval fortifications stands the stunning **Mosque of Mohamed Ali (The Alabaster Mosque)**, a grand Ottoman structure designed by architect Yousif Boushnaq as a replica of Istanbul's Blue Mosque, featuring elegant mineral-clad walls that create a stark visual contrast with the sandstone city below. Walking through these spectacular imperial courts during your **Alexandria to Pyramids of Giza** holiday adds wonderful architectural variety, making this package an elite choice for deep historical learning.

Coptic Cairo Sacred Heritage

Step back into early Christian history by walking through the peaceful stone streets of Old Cairo, a historic religious quarter that preserves some of the oldest active spiritual sites in North Africa. Explore the beautiful nave of **The Hanging Church**, built directly over the massive stone towers of an ancient Roman fortress, before entering the **Church of Abu Serga**, which historically sheltered the Holy Family during their flight into Egypt. Your private guide will also escort you to the historic **Church of St. Barbara** and the nearby **Ben Ezra Synagogue**, adding immense spiritual and cultural depth to this **Alexandria to Pyramids of Giza** tour.

Khan El-Khalili Bazaar Culture

No historic trip to the capital is complete without wandering through the vibrant, spice-scented paths of the **Khan El-Khalili Bazaar**, a legendary 14th-century marketplace that remains one of the oldest commercial centers in the Middle East. Walking past the historic, lamp-lit stalls lets you browse for authentic handmade silver jewelry, fine copper lamps, exotic perfumes, and local crafts.
