- **The Sun Temple Discovery:** In-depth exploration of the Great Sun Temple of Ramses II, famous for its astronomical precision and victory murals.
- **Queen Nefertari's Sanctuary:** A dedicated visit to the northern temple built for the Pharaoh's favorite wife, a rare tribute to a royal consort.
- **UNESCO Relocation Saga:** Learn the dramatic story of how these 3,000-year-old structures were moved block-by-block in the 1960s to escape the rising Nile.
- **Private Expert Guidance:** Benefit from the personalized attention of a professional English-speaking Egyptologist throughout the site.
- **Seamless Door-to-Door Service:** Includes all private transfers in air-conditioned vehicles and round-trip flight tickets.
- **Lake Nasser Vistas:** Enjoy unique perspectives of the Egyptian landscape and the vast reservoir from the air.

Professional Aswan to Abu Simbel Flight Landmark

Introduction

The landmarks featured on your **Aswan to Abu Simbel flight** are a testament to the absolute peak of Pharaonic ego and architectural genius. The **Great Sun Temple of Ramses II** stands as a formidable rock-cut masterpiece, guarded by four 20-meter-high statues of the Pharaoh seated on his throne. Inside, the walls are adorned with the famous Kadesh battle murals, depicting the king's triumph over his enemies. Just to the north lies the **Temple of Queen Nefertari**, dedicated to the goddess of love, Hathor. This site is unique in Egyptian history, as the statues of the Queen are carved to the same scale as the King, signifying her immense importance. Both temples represent an extraordinary feat of modern engineering as well, having been entirely relocated in 1960

through a global UNESCO project to preserve them from the waters of the High Dam.

Spectacular Highlights of the Aswan to Abu Simbel Flight Tour

- **The Kadesh Victory Mural:** Witness the detailed carvings depicting Ramses II's army defeating his enemies, a vibrant historical record of ancient warfare.
- **Four Colossi Entrance:** Stand in the shadow of the four massive statues of Ramses II that have dominated the Nubian landscape for millennia.
- **The Sun Festival Chamber:** Explore the inner sanctum where, twice a year, the sun aligns perfectly to illuminate the statues of the gods.
- **Nefertari's Artistic Tribute:** Admire the delicate bas-reliefs in the Queen's temple, showcasing her beauty and her role in the divine rituals.
- **UNESCO Engineering Marvel:** Appreciate the precision of the 20th-century relocation that saved these treasures from being lost forever beneath Lake Nasser.
- **Aerial Landscape Views:** Take in the breathtaking contrast between the golden Saharan sands and the deep blue of the Nile and Lake Nasser during your flight.

The Journey: A Detailed Story of the Aswan to Abu Simbel Flight Tour

The story of your **Aswan to Abu Simbel flight** is a tale of a king who wanted to immortalize his name at the very edge of his empire. It begins with a swift flight over the desert, following the same path ancient travelers took over weeks, now condensed into minutes. As you approach the site, the story of the 13th century BC unfolds—a time when Ramses II carved his power directly into the living rock to honor the sun gods and his favorite wife. The narrative continues into the 19th century, when these temples were rediscovered after being buried for centuries beneath the shifting Saharan sands. Finally, the story concludes with a modern miracle, as nations joined together to move these mountains to safety. It is a journey through time that highlights both the enduring ego of a pharaoh and the global commitment to preserving our shared human heritage.

Tour Itinerary

Morning Flight and Arrival at the Sun Temples

Your adventure begins with a prompt pickup from your hotel in Aswan by our representative in a private, air-conditioned vehicle. You will be transferred to Aswan Airport for your short, scenic flight to Abu Simbel. Upon landing, you will be met by your private English-speaking Egyptologist who will accompany you to the temple site on the shores of Lake Nasser. The exploration starts at the Great Sun Temple of Ramses II, where you will spend ample time marvelling at the four seated colossi that guard the entrance. Your guide will lead you through the interior halls to view the spectacular murals of the Battle of Kadesh and explain the astronomical alignment that allows the sun to reach the inner sanctum twice a year.

Exploration of Nefertari's Temple and Return Flight

Following your visit to the main temple, you will move to the north to explore the Temple of Queen Nefertari. This sanctuary, dedicated to the Pharaoh's favorite wife and the goddess Hathor, is a masterpiece of ancient art featuring statues of the Queen carved to the same size as the King himself. You will have plenty of time to appreciate the intricate carvings and learn about the Queen's role in the royal court among Ramses II's many wives. Your guide will also share the fascinating history of the temples' discovery in 1813 and the massive UNESCO relocation project that moved the entire site in 1960. Once the tour is complete, you will be transferred back to Abu Simbel Airport for your return flight. Upon arrival in Aswan, our driver will be waiting to take you comfortably back to your hotel, concluding your 6-hour elite expedition.
