Professional Aswan to Abu Simbel Private Car Landmark Introduction

The monuments featured on your **Aswan to Abu Simbel private car** tour represent the zenith of Pharaonic power and artistic achievement. The **Great Temple of Ramses II** is a monumental rock-cut sanctuary, famously guarded by four 20-meter-high statues of the Pharaoh seated on his throne. This temple was designed to project Egyptian dominance and honor the sun gods. Adjacent to it stands the **Temple of Queen Nefertari**, a rare and beautiful tribute built by Ramses II for his most beloved wife. This site is particularly significant for its **intricate carvings and history**, showcasing some of the finest bas-reliefs of the New Kingdom. Your private tour also provides a

detailed **relocation project insight**, explaining how these massive structures were dismantled and reassembled 60 meters higher to preserve them for future generations.

Spectacular Highlights of the Aswan to Abu Simbel Private Car Tour

- **Ramses II's Inner Sanctum:** Stand in the subterranean chambers where the sun's rays illuminate the divine statues during the solar alignment.
- **The Nefertari Love Story:** Explore the smaller temple where the Pharaoh's devotion to his queen is carved into every limestone wall.
- **Kadesh Battle Murals:** Examine the detailed depictions of the King's military triumphs, brought to life by your private guide's storytelling.
- **Lake Nasser Vistas:** Enjoy the serene blue views of the world's largest man-made lake from the elevated plateau of the new temple site.
- **Sunrise Desert Drive:** Experience the quiet beauty of the Saharan dawn as you travel in the comfort of your private, climate-controlled car.
- **Ancient Masonry Mastery:** Admire the colossal scale of the external statues, which remain some of the most recognizable icons of world heritage.

Tour Itinerary

Private Morning Departure and Desert Transit

Your exclusive experience begins at 4:30 AM with a prompt pickup from your Aswan hotel or Nile cruise by your private driver and modern air-conditioned vehicle. As you settle into the comfortable seating with bottled water provided, you will begin the approximately 3.5-hour journey through the Saharan desert. This early start is strategically timed to ensure you arrive at Abu Simbel ahead of the large coach tours, allowing for a more intimate first look at the monuments. During the drive, you can enjoy the serene desert sunrise in the privacy of your own car, arriving at the site refreshed and ready to explore.

In-Depth Exploration of the Sun Temples and Relocation Story

Upon arrival at the Abu Simbel archaeological site, you will be met by your private expert guide (if selected) or proceed into the site for a personalized tour. You will start at the Great Temple of Ramses II, exploring the colossal statues and the internal halls adorned with victory murals and religious reliefs. Your guide will provide a detailed narrative on the temple's historical significance and its role as a "Sun Temple." Next, you will visit the Temple of Queen Nefertari, examining the delicate carvings that celebrate the Pharaoh's favorite wife. Throughout the tour, you will receive deep insights into the 1960s relocation project, learning how the site was moved block-by-block. The private nature of the tour means you have the flexibility to take as many photos as you wish and explore at your own pace.

Optional Local Lunch and Private Return to Aswan

After a fulfilling exploration of the monuments, you have the option to enjoy a traditional lunch at a local restaurant in Abu Simbel, offering a taste of authentic regional cuisine. Once your visit is complete, you will re-board your private A/C vehicle for the return journey to Aswan. The drive back provides a quiet opportunity to discuss the day's highlights with your guide or relax in the climate-controlled cabin. You will be dropped off directly at your hotel or Nile cruise vessel at approximately 1:00 PM to 2:00 PM, concluding a seamless and high-quality expedition to the heart of ancient Nubia with memories that will last a lifetime.
