Day 1: Luxor Architectural Marvels and Elite Embarkation

Your extraordinary journey through ancient Thebes begins with a professional greeting at the Luxor Airport or railway station by a Bastet Travel representative, followed by a private transfer to the MS Champollion for a seamless Nile-front check-in. After a gourmet welcome lunch on board, you will join your expert Egyptologist to explore the magnificent East Bank. The tour begins at the Karnak Temple Complex, a vast religious site spanning over 100 hectares where you will stand in awe of the legendary Hypostyle Hall and its 134 colossal columns. You will then visit the Luxor Temple, an elegant structure established around the 14th century BC that is beautifully preserved and serves as a testament to the power of Ramses II and Amenhotep III. After the tour, you return to the ship for a refined dinner as you settle into your luxurious floating hotel for the night.

Day 2: West Bank Treasures and the City of the Dead

The day begins with a hearty breakfast on the MS Champollion before crossing to the West Bank to uncover the mysteries of the Theban Necropolis. Your guided tour focuses on the legendary Valley of the Kings, where you will enter three selected royal tombs to admire the remarkably vibrant ancient colors and intricate carvings. The exploration continues to the Mortuary Temple of Queen Hatshepsut at Deir el-Bahari, a striking modernist architectural masterpiece built directly into the limestone cliffs. Your morning concludes with a visit to the Colossi of Memnon, two massive stone statues that have guarded the valley for millennia. The afternoon offers leisure time to relax on the sun deck or explore Luxor's vibrant markets before returning for a gourmet dinner and evening cultural entertainment aboard your Nile cruise.

Day 3: Edfu's Magnificent Horus Temple and Kom Ombo Dual Symmetry

Following a delicious breakfast, you will travel to the Temple of Horus at Edfu by traditional horse-drawn carriage. This is the most completely preserved temple from the ancient world, featuring a grand pylon and detailed reliefs documenting the battle between Horus and Seth. After returning to the ship for lunch, you will spend the afternoon relaxing as the vessel sails toward Kom Ombo, soaking in the "Visual Experience" of rural Egyptian life. In the late afternoon, you will explore the unique Temple of Kom Ombo, a rare dual-deity sanctuary perfectly symmetrical and mirrored, dedicated to the crocodile god Sobek and Horus the Elder. You will discover ancient medical instruments depicted in stone and visit the Crocodile Mummification Museum before returning to the

cruise for dinner and overnight sailing to Aswan.

Day 4: Nubian Culture in Aswan and Traditional Sailing

After breakfast on the MS Champollion, you will set out to experience the authentic charm of Aswan. The morning begins with a peaceful Felucca ride, a traditional Egyptian sailing boat, which will take you through the Nile's cataracts to the vibrant village of Garb Soheil. Here, you will visit a traditional Nubian home, meet friendly locals, and learn about their unique customs, music, and colorful heritage. After returning to the ship for lunch, you have the afternoon at leisure to explore Aswan's famous spice markets or enjoy the ship's rooftop pool. The evening features a special Nubian-themed dinner on board, accompanied by cultural performances that celebrate the rich diversity of the southern Nile.

Day 5: Aswan Engineering Wonders and Elite Departure

On your final morning, after a signature breakfast and check-out, your guided tour focuses on the unique landmarks of Aswan. You will visit the High Dam, a 20th-century engineering masterpiece that tamed the Nile's floods and created the massive Lake Nasser. You will then take a motorboat to Agilkia Island to visit the magical Philae Temple, a complex dedicated to Isis that was meticulously relocated during a massive UNESCO rescue project. Your journey concludes at the Unfinished Obelisk, providing a fascinating look at ancient stone-cutting techniques in the granite quarries.
