## Tour Itinerary

### Morning: Resort Pickup & Setting Sail

Your marine adventure begins with a prompt 6:00 AM pickup directly from your Hurghada hotel lobby in a comfortable, modern air-conditioned vehicle. You will be driven directly to a tranquil, private harbor where our professional crew and modern vessel await your arrival. After stepping aboard, sit down to enjoy a light breakfast on board along with a hot coffee or a cold juice as the captain starts the engines. Your competent English-speaking guide will conduct a comprehensive safety briefing and explain our strict ethical dolphin interaction guidelines, ensuring you feel completely prepared before the vessel leaves the marina.

### Midday: Dolphin Encounters at Shaab El Erg el Sakhair

After a scenic 1.5-hour cruise across the deep blue waters of the Red Sea, the boat arrives at Shaab El Erg el Sakhair, a stunning, horseshoe-shaped reef system known worldwide as a wild dolphin sanctuary. As a pod is spotted, you will enter the water quietly under the direct supervision of our marine instructors. Following our eco-friendly guidelines, you will swim parallel to the pod without chasing or touching them. Because these magnificent creatures are entirely wild and naturally curious, they frequently choose to approach our small groups, gliding gracefully within arm's reach through the sunlit water.

### Afternoon: Reef Exploration at Shaab El Erg al Kabair & Buffet Lunch

Next, the vessel cruises over to Shaab El Erg al Kabair, our second spectacular snorkeling spot of the day. Here, you will dive back into the water to explore a dramatic maze of hard and soft coral gardens teeming with marine life, including sea turtles, angelfish, and bright reef communities. After working up an appetite, return to the ship's air-conditioned salon or shaded deck for a delicious, freshly prepared buffet lunch on board, paired with unlimited cold soft drinks. Spend your remaining hours relaxing on the spacious sun deck, chatting with fellow travelers, and soaking in the panoramic coastal views as the ship makes its scenic return journey to the harbor, arriving in time for a comfortable late-afternoon transfer back to your hotel.
