Tour Itinerary

Artistic Majesty and Royal Statues

The professional **Luxor Museum and Mummification Museum** expedition begins with a private collection from your Luxor accommodation. The first phase of the itinerary involves a sovereign transfer to the Luxor Museum on the Corniche. Your Egyptologist guide will lead you through the modern galleries, providing high-authority insight into the masterpieces of the Middle and New Kingdoms. You will examine the magnificent cachette statues and the artifacts from the tomb of Tutankhamun, gaining a technical perspective on the evolution of Egyptian art. This phase is designed to provide a peerless window into the aesthetic standards of the Pharaohs before you transition to the scientific and religious preparations for the afterlife.

Funerary Science and Sovereign Return

The second half of your **Luxor Museum and Mummification Museum** itinerary focuses on the specialized Mummification Museum. The high-authority plan includes a detailed tour of the embalming techniques applied to both humans and animals, such as crocodiles and cats. You will inspect the original embalming tools and learn about the mummification of the heart and organs. This experience provides a sovereign atmosphere of learning as you conclude your museum journey overlooking the Nile. Following the tour, you will be provided with a comfortable transfer back to your hotel or Nile Cruise. This plan ensures a high-authority standard of logistical flow and educational depth, completing a professional narrative of Luxor's two best-loved museums.
