You will explore the El Alamein War Museum, featuring weaponry and uniforms from the 1942 battlefield, followed by the moving El Alamein War Cemetery. We also visit the German and Italian War Memorials, which offer a unique perspective on the North African campaign. Day 2: Ancient Ruins and the Legend of the Oracle

After breakfast, we begin our discovery of the heart of Siwa. We start at the Temple of the Oracle (Aghurmi), where your guide will share the fascinating history of Alexander the Great's visit. We then move to the 26th-Dynasty Temple of Amun and the historic Shali Fortress, an ancient mud-brick city that stands as a testament to Siwan resilience. After visiting the Sidi Abou Soliman Mosque, we head to Cleopatra's Bath, a natural spring where you can relax in the same waters that once refreshed legends. The evening is spent exploring the local market, where you can find Siwan dates, olives, and handmade crafts before returning to the hotel.

Day 3: Adrenaline in the Great Sand Sea and Desert Camping

The third day is dedicated to the majesty of the desert. The afternoon features a private 4x4 Jeep safari into the Great Sand Sea. You will experience the thrill of dune bashing and sandboarding down some of the tallest dunes in Egypt. We visit the remote hot and cold springs of Bir Waheed for a unique desert swim. As the sun begins to set, we enjoy traditional Bedouin tea on a high dune, watching the horizon transform. The day concludes at Al Nyhaya Camp, where you will enjoy an authentic BBQ dinner under a canopy of stars, spending the night in a traditional desert camp for an unforgettable Saharan experience.

Day 4: Floating in the Salt Lakes and Mineral Healing

Following breakfast at the camp, we return to the oasis to experience its natural wonders. The morning is spent at the Siwa Salt Lakes. You will have the opportunity to float in hyper-saline waters

that possess immense healing properties for the skin and soul. Your guide will help you find the clearest "crystal pools" for a spectacular swimming experience. We recommend bringing a bottle of fresh water to rinse off the salt afterward. The afternoon is free for relaxation or optional visits to Gebel Al-Mawta (The Mountain of the Dead) to see ancient tombs. Dinner and overnight are back at the Ghaliet Ecolodge.

Day 5: Mediterranean Coast of Marsa Matrouh and Return to Cairo

On the final day, we enjoy breakfast at the hotel before beginning the drive back to Cairo. We stop at Marsa Matrouh on the Mediterranean shore for lunch and to discover its famous white sandy beaches. You will visit Cleopatra's Beach and Bath, taking a final dip in the crystal-clear turquoise waters of the Mediterranean.
